- 1 i. Regents' final vote will take place in either November or December:
2 graduate fees will go up, certain one-time fee such as graduation fee might
3 go up. No increase in annual fees.
- 4 ii. TA/RA stipend may increase by \$100-200/month. As this change is based
5 on the minimum pay, there is no guarantee that every TA/RA will receive
6 a raise.
- 7 iii. Policies on arrival of child are being currently drafted and will be
8 discussed at the next Graduate Council meeting.
- 9 iv. Bridge Funding Proposal: There are some students who are financially
10 supported by grants such as NSF who are not paid during while on leave.
11 This proposal suggests to fund students as follows: 50% will be funded by
12 the office of provost and 50% will be funded by the individual
13 departments. Proposal will be applied towards men and women and for up
14 to 6 weeks?? We don't want anyone to make choice between family and

 - 31 5. Senator Vendettuoli – why not purchase a short-term disability
32 option? It should be optional.
 - 33 6. Senator Den Herder – rather than ISU provides group insurance,
34 why not have it as optional such as dental insurance.
 - 35 7. Senator Vendettuoli – would marital status be significant?
