Meeting Notes

February 23rd, 2015

7:02 Called to order

7:03 Quorum (barely) met

7:04 UC approve January minutes

7:07 Add Policy Library, Library Dean search, Finance Committee to senate forum

7:08 UC approve move Open Forum first

7:09 Remove Senate Bill S15-05 from agenda

7:09 Roberta Johnson - Director of student financial aid

- New student loan education office

- Other slides attached

- Cost of attendance \$9,172 / \$22,096

- loan rates currently 6.21%, interest does accrue

- Interested in being the advisor to GPSS - Benefit to Graduate students is having a direct report to administration and many years of experience at the university

7:19 GSB President Candidates Dan and Amanda

- Dan - Junior in Business and GSB Vice Speaker - Campaign "No BS" - we have many projects for students and focus on student issues - we do have ideas - We enjoyed Veishea in the past and want to bring it back even bigger - Campus is over crowded - Panda and Subway lines are too long in the MU - I want to see what students want and I want to do something about it - Add outlets to the tables in the library - All student orgs are created equal - Worked with IRHA to rewrite den housing policies - You name an issue, we have thought it already - We have a survey to discover student issues and priorities - Bike Share has no opinions on it

- Amanda is working with transportation committee to determine the best route forward for the Bike Share and are involving students through comments and on professional experiences. 7:28

- Amanda - Add/Drop fees, make the process easier online and remove the fee - Recycling throughout Ames and ISU, including helping Ames with their current program - Can collection spots at the Tailgate lots for student org funding - Veishea priority is safety and making it honor the university, move to the fall - Closer communication with student organization presidents, e.g. GPSS's GPSRC.

7:31

- Amanda - Met with registrar to make sure their plan was implementable. Cost cut to students. Move everything online. Also includes transcripts for life at no cost. Minimize the fees too

7:34

- Amanda - Combine GSB funding accounts to maximize funding available to student organizations. More students enable more funds for more groups

- Dan - If students aren't getting the funding they need, then we will work to get the funds they need and deserve. I won't use GSB funds to fund my projects.

- Dan - Open to discuss the GSB / GPSS funding split

- Dan - Dr. Hill has a committee to help student orgs to host a spring event during the traditional VEISHEA time frame. VEISHEA being a celebration of the university. This will happen even if not the President.

- Amanda - Worried that without VEISHEA too long then may loose the knowledge and experience that had formed VEISHEA in the past. April has concerns with safety, so a survey of events going on led us to the fall where fewer events were happening and could be more of a student showcase

7:41

- Amanda - CyRide has done so much to improve their system and we support CyRide as much as possible. Don't want to cut CyRide services. Almost all graduate students are off campus that CyRide is very important. We are part of the Ames community.

- Dan - Talk with the City of Ames so that student are aware of housing opportunities. More communication of what is available will bring prices down. All for working for something including encouraging developers to build more apartments. CyRide is important to Ames. Efficiency is a priority. Deal with what we already have to meet our needs. Both issues I want to work on.

March 3 and 4 vote.iastate.edu

7:47

- SO S15-01 installing Roberta Johnson as advisor
- SB S15-01 Conduct a spring social and allocate the budget
- SB S15-02 Revise the GPSS Constitution
- SB S15-03 Revise the GPSS By-Laws
- SB S15-04 Revise the GPSS Standing Rules
- SB S15-06 Increase regular allocation amount per student org
- SB S15-07 Finance budget for next year

7:52 Senate forum

- Inya Nienanya - Drones on campus policy in the development stages - Comfort animals on campus in the development stages - Video cameras in public spaces on campus and creating a unified policy across all campus - These are drafts available for public comments

- Senator Agrawal - Drones policy would hamper research and more restrictive than the FAA policies

- Inya - There may be exemptions made for research, but student hobbyists may just have to avoid ISU campus

- Senator Nakayama - knows students that benefit from comfort animals. What restrictions are being put in place?

- Inya - Establish a guideline on animals and protect other students too

8:01

Senator Anderson - Library Dean candidates are visiting! Attend their open forums and provide feedback. Catered lunch meetings too, sign-up sheet being passed around.
Slides attached

8:03

- Finance Committee - Guidelines establish what can be funded and not. Want to make it a governing document of GPSS. Currently ask for budget and expense reports. Propose eliminating the tracking of expenses and receipts and replace with a public calendar of Graduate / Professional events. Organizations must post their event to our calendar for a self auditing measure. Want to raise the amount to \$1000. Food can now be used for socials and up to \$400. Public comments meeting in March.

- President - Please work with the Finance committee to help make our student organizations more powerful! This will have a great impact on students especially in ways that the student organization is better able to do than GPSS is able to directly do.

8:14 Exec reports

- See attached

8:28 Exec nominations

- Vice president accepts nomination for president
- Treasurer accepts nomination for Treasurer
- Senator Chung accepts nomination for CIO
- PAG Chair accepts nomination to Vice-President and CIO

8:50 New Business SO S15-01 Roberta Johnson as the GPSS Advisor Motion to consider as read, UC Passes

SB S15-01 Funding the GPSS Spring Social, \$1230 from surplus Funds not available from the GPSRC budget Why \$1230? Perfect Games estimate to serve 150 students pizza, soda, and bowing. Planned for a day not conflicting with any GPSRC speakers Pizza social at Mother's Pub in February was allocated from a different funding source

GPSRC budget originally was planned to fund the social, but they forgot to plan for it. Spring Social now needs to be funded separately.

GPSRC budget is not available and will be provided in the future.

This bill is not to overspend on the conference, this is just a budget issue where money from colleges has not been deposited yet and unable to commit money to the social planning at this time.

This would leave about \$3900 remaining in Surplus Called to Question Passes

SB S15-02 Revising the Constitution

Friendly amendments

Changes

- Senators must represent their own department or program
- Added GPSRC chair executive council member
- Each senator must serve one office hour per month
- President must serve on the Grad College Council
- URLA must serve on the Student Affairs RMM advisory committee
- Establish a social committee chaired by the VP
- Merged Elections and Operations committees

Amendment to add income and expense reporting responsibilities to GPSRC Chair

Passed

How would Exec's monitor Senator's attending their own office hours? It would be difficult or impossible to monitor.

Propose that the future GPSRC chair be funded out of the GPSRC budget

Called to Question

Passed

SB S15-03 Revising the ByLaws

Changes

- Merged Elections and Operations committees
- Modified the meeting order and reports
- Making the Allocation policies a governing document of GPSS
- Elaborate / clarified how to conduct GPSS Elections

Called to Question

Passed

SB S15-04 Revising the Standing Rules Changes

- Meeting moved earlier to 6:30pm from 7pm - Bills due 12 days in advance rather than 10 Maybe 30 minutes earlier could help people Called to Question Passed

SB S15-06 Increase regular allocations to \$1000 Will this allow for fewer to be funded more at the detriment of funding fewer groups? It is a constraint, but data supports that no student groups will be denied. Maybe this shouldn't occur in the middle of the year? Maybe this shouldn't be increased so much so quickly, maybe \$900 would be safer? Amendment to \$900 fails to be seconded Called to Question Passed

SB S15-07 Next year's budget Friendly amendments Increases - PAG - Allocations - Socials - Speakers - Speakers - Special Allocation increase (if the new exec position is created) Called to Question Passed

10:43 Motion to Adjourn, UC

IOWA STATE UNIVERSITY GRADUATE AND PROFESSIONAL STUDENT SENATE CONSTITUTION

The Graduate and Professional Student Senate of Iowa State University is an elected body through which graduate and professional students express their concern for the welfare of graduate and professional students at the University, develop and disseminate ideas for the improvement of graduate and professional education, and contribute to the formation of relevant University policy. The Graduate and Professional Student Senate (GPSS) is the representative, deliberative, and administrative organization of the graduate and professional student body of Iowa State University, and is a duly constituted independent collegiate organization within the University.

ARTICLE I. THE GRADUATE AND PROFESSIONAL STUDENT SENATE

- Representation. Each graduate department, interdepartmental and professional program may elect one Senator for each fraction of one-hundred (100) graduate or professional students enrolled with a maximum of four (4) Senators per department, where enrollment in a department, interdepartmental and professional program major is defined in http://www.registrar.iastate.edu/enrollment/statsmajor.
- 2. Eligibility. Any student enrolled at least halftime (unless fewer credits are required in the final stages of their degree as defined by the Continuous Registration Requirement) in a graduate department, interdepartmental, or professional program at Iowa State University may be elected as a Senator. Senators must represent his or her own graduate department, interdepartmental, or professional program, with the exception of Senators-at-large. Each graduate/professional program may create more restrictive rules for electing Senators if they choose. Iowa State University and the GPSS do not discriminate on the basis of race, color, age, ethnicity, religion, national origin, pregnancy, sexual orientation, gender identity, genetic information, sex, marital status, physical or mental disability, or status as a U.S. veteran.
- 3. Definitions
 - i. Senators. A Senator is an elected representative registered in good standing with the Graduate College or any of the professional colleges within the University. Each Senator will have one vote in the Senate.

- ii. Senators-at-large. The following positions carry the status of Senator-at-large. Status as a Senator-at-large shall not count against a departmental quota (ARTICLE 1, section 1, representation), and is not subject to departmental election procedures as otherwise defined in the By-laws or the Standing Rules.
 - a. Officers of the Senate. The Officers of the Senate shall represent the Senate as a whole and shall not carry a vote.
 - b. Vice-President. The Vice-President shall represent the Senate as a whole. The Vice-President shall only vote in the occurrence of a tie.
 - c. Graduate GSB Senators. They shall represent the graduate student body as a whole. They shall also act as a liaison between GSB and GPSS to facilitate efficient and productive legislation by the two bodies and to strengthen representation of student concerns to administration. GSB Senators who represent the Graduate College shall be elected to GSB by the graduate student body or, in the case of a vacancy or special circumstances, appointed to GSB by GPSS as defined in the GSB Constitution and By-laws. Each graduate GSB senator will have one vote in the Senate.
- 4. Terms. Members of the Senate are elected by graduate or professional students for one year terms that begin in August or January and may be re-elected for as long as they continue to be in good standing with the Graduate College or College of Veterinary Medicine.
- Officers. The officers of the Senate are the President, Vice-President, Treasurer, Chief Information Officer, University Relations and Legislative Affairs (URLA) Chair, Professional Advancement Grant (PAG) Chair, and the Graduate and Professional Student Research Conference (GPSRC) Chair. Henceforth, this order shall be known as the order of seniority.
- 6. Sessions. A scheduled meeting of the seated Senate
 - i. The Graduate and Professional Student Senate meets once per month during the fall and spring semesters, except in the months of December and May. Summer sessions may be held at the discretion of the Executive Council for seated Senators who are present at Iowa State University.

- ii. The Vice-President shall call additional sessions as directed by the Senate or a written petition of 30% of the Senate.
- 7. Powers and Duties.
 - i. The Senate may discuss and take a position on any subject of concern to the graduate and professional student body. The Senate may discuss and make policies within its jurisdiction. The Senate may also allocate funds by Senate Bill or through an approved budget. Allocation of funds shall never exceed the actual funds possessed by the Senate.
 - ii. Issues must be referred to a vote of the graduate and professional student body upon receipt of a petition of two percent (2%) of the graduate and professional student body (as determined by the Office of the Registrar), or may be referred by the Senate. The vote shall be through a process approved by the Senate and the voting process shall be open for not less than one regular class day (9am to 5pm).
 - iii. The Senate may call general meetings of the graduate and professional student body.
 - iv. The Senate is the judge of its membership.
 - v. The existence of the Senate shall not preclude other means of communication between the graduate or professional student and the University.
 - vi. Each Senator holds at least one office hour per month to be available for constituents.

- g. Serves as a liaison to the GPSS regarding Board of Regents activities.
- viii. Professional Advancement Grant Committee. The Professional Advancement Grant Chair is the chair of this committee and will work with a representative from the Graduate College for travel awards, and form a committee to review GPSS awards and scholarships.
- ix. Graduate and Professional Student Research Conference Committee. The Graduate and Professional Student Research Conference Committee assists the GPSRC Chair in organizing and executing the annual Graduate and Professional Student Research Conference.
- 2. Other Committees. The Senate may establish such other standing or ad hoc committees as its business requires.
- 3. Committee Chairpersons. All committees shall have a chairperson. If a committee does not have a chairperson, the President of the Graduate and Professional Student Senate or the Senate shall appoint one.

ARTICLE IV. ADVISER

- 1. The duties of the Adviser(s) shall include:
 - i. Be available to provide advice to Senators and Executive Council members.
 - ii. Act as a liaison with the University Administration and in any other situation where a nonstudent spokesperson is needed.
 - iii. Maintain confidentiality on any information given or when advice is sought, except in the occasion of law or University policy violations.
 - iv. Attend annual Advisor's training in compliance with Student Organization regulations.
 - v. Sign all expenditures made by the organization.
- 2. Selection. The Adviser shall be selected through consultation between the President of the Senate, the Office of the Senior-Vice President for Student Affairs and the Office of the Senior-Vice President and Provost. A majority vote of the Senate shall be required to confirm the appointment of the Adviser.
- 3. Term. The term of the Adviser shall be ongoing until resignation or removal by a two-thirds vote of the Senate. Selection of a new advisor shall proceed through procedures outlined in Article IV, paragraph 2.

ARTICLE V. SUPREMACY OF RULES

- 1. The following shall be the order of supremacy of rules and policies of the Graduate and Professional Student Senate:
 - i. Constitution
 - ii. Articles of Cooperation
 - iii. By-laws
 - iv. Acts of the Senate as passed through Senate Bill
- 2. All acts and rules of the Senate shall be in accordance with applicable federal, state, and local laws as well as Iowa State University rules and regulations.

ARTICLE VI. FINANCES

- All monies belonging to this organization shall be deposited and disbursed through a bank account established for this organization at the Campus Organizations Accounting Office and/or approved institution/office (must receive authorization via Campus Organizations Accounting Office). All funds must be deposited within 48 hours after collection. The Adviser to this organization must approve and sign each expenditure before payment.
- 3. No dues shall be required for membership as a Senator.

ARTICLE VII. BY-LAWS, AMENDMENTS, AND RATIFICATION

- 1. By-laws. A set of By-laws shall be written and maintained to specify the rules for elections and rules of procedure for the Senate and the Executive Council. Amendments to the By-Laws shall require approval from two-thirds of all Senators present, where those two-thirds are also a majority of all Senators currently elected and verified.
- 2. Amendments. Amendments to the Constitution may be initiated by the Senate, or by a petition to the Senate of at least one hundred (100) combined graduate and professional students. An amendment must be approved at two Senate sessions that are at least two weeks apart. At each Senate session, approval must be by two-thirds of all Senators present, where those two-thirds are also a majority of all Senators currently elected and verified.
- 3. Ratification. This Constitution shall be ratified upon approval of three-fourths of the Senate.

If the Constitution or By-Laws are amended, the Chief Information Officer shall send an updated copy of both to the Student Activities Center within ten days of the amendment.

Graduate-Professional Student Loans

We urge you to sponsor and support legislation that would:

REUNIFY the graduate and undergraduate loan rates to reverse current inequalities **REINSTATE** the in-school interest subsidy for graduate-professional student loans

The average cumulative debt for a Master's is **\$77,000** and is **\$75,000** for a doctoral degree. This figure increases to **\$146,000** for a professional degree, which is more than four times the average undergraduate debt load (approx. \$29,000). [1]

Reunify Loan Rates

- Earning a Ph.D. takes an average of 7.7 years [2]. Compounding interest from unsubsidized loans further swells the debt load, increasing monthly loan payments by \$203 for students taking out the maximum Stafford Loan amount.
- According to Congressional Budget Office projections, savings associated with the removal of the in-school interest subsidy will result in an increase of \$18.1 billion in the debt burden of graduate-professional students over 10 years. [3]

Why This Matters

- Federal investment in doctoral education fills a critical gap that neither states nor industry can fill. State governments are often reluctant to invest in fellowships for students who might not remain in the state. Corporations may find doctoral fellowships difficult to justify when they cannot be certain that a student will join the company after attaining the degree. When the federal government makes the investment, the entire nation greatly benefits. [4]
- The graduate-professional student default rate is significantly lower (6.4%) than the overall default rate (18.4%), [5] making graduate-professional student loans the safest investment of all student loans.
- The high cost of student loans prohibits graduate and professional students from being active participants in our struggling economy, preventing them from buying homes and starting small businesses.
- The high cost of student loans makes postgraduate education cost prohibitive and will prevent the best and brightest from pursuing graduate or professional degrees.
- · Jobs requiring advanced degrees are expected to grow by at least 20% by 2020. [6]

Funding Graduate Education

An Investment in the Future

We urge you to support legislation that would:

Increase funding to federal research agencies to reverse the damage from budget caps and sequestration cuts

Reinstate and ensure future political science research funding through the NSF

Restore funding for the Javits and GAANN fellowship programs to \$39 million

The Benefits of Science, Technology, Engineering and Math Funding (STEM)

- 53% of basic academic science research in the United States is funded through the federal government [2]
- Grants from NSF supported about 150,000 researchers, including graduate and undergraduate students in FY 2010 [3]
- More than 80,000 patents were generated from NSF funded research from 2000 to 2009 [3]
- STEM fields are critical to reigniting the economy. There are nearly two job openings per STEM-educated person nationally [4]
- Since FY 2010 federal research and development funding in real dollars has decreased by 10% [3]

The Benefits of Social, Behavioral, Economic, and Political Science

- The social sciences are crucial to solving many of our nation's most pressing issues including understanding disease spread, disaster preparedness, and efficient use of resources [5]
- Social science and social network analysis have been crucial in ensuring national security and understanding terrorist networks [6][7]
- Social science research interventions can reduce repeat crime offenses by up to 40% [6]
- The State Department, Homeland Security, Defense Department, and Department of Energy all rely on the work of social scientists [5]

Funding for the Javits Fellowship and the Arts, Humanities, and Social Sciences

- In 2012, the Javits Fellowship program -- the only federal fellowship for students in the arts and humanities -- was consolidated into the Graduate Assistance in Areas of National Need (GAANN) program, reducing funding by 24% [8]
- · The average time to degree for Javits fellowship students is less than their peers [8]

73% higher expected job growth in STEM fields [1]

job openings per STEM-educated person nationally [9]

80,000 number of patents

generated through NSF funded research 2000-2004 [3]

Open Access to Federally Funded Research

Increasing Innovation and Improving Education

We urge you to support and co-sponsor:

S. 350 - Fair Access to Science and Technology Research Act (FASTR) [bipartisan]

H.R. 708 - Fair Access to Science and Technology Research Act (FASTR) [bipartisan]

OPEN ACCESS

A Win for American Students, Taxpayers and Small Businesses

- Small Business: Removes the cost barrier that prevents small businesses from incorporating the latest research into their innovation
- Students: Provides access to cutting-edge research and reduces the cost burden for continuing education
- Citizens: Maximizes taxpayers' return on investment in publicly funded research and provides every taxpayer with access to research they have paid for
- · Accountable Government: Allows transparent review of how federal dollars are used

Proven Track Record of Success: The NIH Public Access Program

The NIH public access policy currently requires peer-reviewed papers developed from NIH-funded projects to be submitted to NIH's public PubMed Central (PMC) database within one year after publication [1].

Every weekday, more than 700,000 users access PMC. The NIH estimates that only 25% of these users are from universities, 40% are from the general public, and 17% are from industry [1].

Support from Publishers

At least 50 major publishers, including the Nature Publishing Group and the American Institute of Physics, have pledged to support access models that maximize "dissemination of and access to the content" they publish [2]. Growth in the medical journal market -- the one most affected by the NIH policy -- is forecast to be 6.3% in 2014 [3].

700,000 users access PubMed every weekday [1]

> 57% of PubMed users are from the general public and industry [1]

Improving Education Resources

Support Affordable Textbooks

We urge you to support and co-sponsor:

H.R. 3538 - Affordable College Textbook Act S. 1704 - Affordable College Textbook Act

Open Educational Resources (OER) are Fiscally Responsible

- The rising cost of college textbooks places an unnecessary burden on all students. The Government Accountability Office (GAO) found that college textbook prices increased 82% between 2002 and 2012 [4].
- Considering recent technological advancements, textbook prices should be decreasing, not increasing.
- Open Educational Resources (OER) are digital textbooks and other materials licensed for free.
- Expanding the creation and use of OER can reduce the burden of textbook costs and make higher education more affordable.

82% increase in texbook prices between 2002-2012 [4]
