II. Vice President George H. Weston

1. Rules Committee

- a. I am hoping that we can vote on all 3 governing documents at this November meeting. The Constitution will still require a second vote in January due to requirements currently in our governing documents.
 - 1. If you wish to offer an amendment, please submit it in writing to the CIO. This will make it easier for him to write the proposed amendment, so that all senators are able to see it.
 - 2. The senators on the Rules Committee worked hard on these documents and are ready to answer your questions to the best of their abilities. If you have something that we may have missed, we welcome feedback or suggested amendments.
- b. Student Government wants to wait until January to discuss the Articles of Cooperation, so we should have a meeting that first or second week of the semester with them.

2. Social Committee

- a. Looks like that we will be holding a post-show reception on March 6, 2018 after *A Gentleman's Guide to Murder*. Tickets will be \$25 each and we will need to have at least 25 tickets purchased. I will find out if there is a maximum number of people that can attend and if we need to establish an earlier than expected deadline for commitments. Expect details by mid-January to be sent out before or with the email that goes out a week before the regular GPSS meeting.
- b. The Spring Social will take place in April and it will likely take place at Perfect Games.

III. Treasurer Maria B. Mantilla Perez

1. Treasurer Activities:

- Payments for regular allocations were processed.
- The finance committee received a request for GPSS special allocations from the Graduate Research in Evolutionary Biology and Ecology (GREBE). The group is planning a symposium on February 2018.

IOWA STATE UNIVERSITY

Graduate & Professional Student Senate

- The finance committee was favorable to the request, but it was proposed to grant this group the same proportion that was given to clubs for regular allocations (94.49%).
- The Senate will finally decide to vote favorable or not to this request.
