Let's go ahead and plan on rescheduling. Could you work with Pat on a date the following week if that works for you? For situational awareness Neil is scheduled to fly to Hawaii on Friday September 13 through the next week.

Kindest regards,  
Julie Kay Roberts, CEM  
Deputy Chief of Staff  
National Oceanic and Atmospheric Administration

Expect to see the KDK briefing on Fairweather shifted to September 12. Mike Walsh

and Earl are both out this week and Neil and I are dealing with Dorian so he is not available.
