

FY24 NOAA/NWS GRANT APPLICATION PACKAGE ENDORSEMENT

This endorsement form is required for FY24 NOAA/NWS grant pre-applications. It provides assurance that both the emergency management and science partners of an NTHMP partner have reviewed and recommended all tasks and activities described in the grant application package.

ENDORSEMENT

My signature below affirms that I have reviewed the Project Narrative, Budget Spreadsheet, and related Subaward information provided with this NOAA/NWS grant pre-application. The information provided is appropriate, consistent with NTHMP goals and strategies, reasonable, and can be realistically achieved by the people and agencies identified in the application package. Weather and administrative situations permitting, we believe that the proposed activities can be performed within 12 months.
