***Engineer's Creed:***

As an engineer, I dedicate my profession, knowledge and skill to the advancement and betterment of human welfare.

***Engineer's Pledge***

I pledge:  
To give the utmost of performance  
To participate in none but honest enterprise  
And strive to the highest standards of professional conduct  
To place service before profit,  
The honor and standing of the profession before personal advantage  
And the public welfare above all other considerations

***Alpha Epsilon Initiate's Pledge***

I do solemnly pledge  
To promote the high ideals of the engineering profession,  
To continue to manifest worthy qualities of character, scholarship, and professional attainment, and  
To encourage and support such improvements in the agricultural food and biological engineering profession that will make it an instrument of greater service to mankind.
