

Gift Card Request Form Job Aid

The Gift Card Request Form should be used to request gift cards for any legitimate university business purpose that is in compliance with Iowa State University policies regarding [cash, gift certificates, and other property](#).

Gift cards are for research participant payments, awards, prizes, and/or recognition and cannot be used to pay suppliers for goods or services, to pay any type of wages or compensation, or be used for personal purchases.

Gift cards are the same as cash and must be handled accordingly ensuring adequate controls are in place to safeguard, store, and prevent loss. Until disbursed, gift cards should be secured and locked or stored in a location appropriate for money storage.
